

Flight Engineering Pty Ltd

STRUCTURAL ENGINEER

Due to an expanding client base Flight Engineering Pty Ltd is seeking a Structural Engineer to fill a permanent role with our office in Edwardstown (10 minutes South of Adelaide CBD), South Australia.

What we offer:

- Work on interesting and challenging projects using state of the art engineering software, training and ongoing support with your professional development.
- A competitive salary package commensurate with your experience and potential.
- Permanent secure employment after a 3 months probation period.
- Annual salary review based on your performance and industry trends.
- Flexible working hours and opportunity for travel and site work.
- Fairly high degree of autonomy within an organisation with proven professional standards.

Selection Criteria:

- Degree qualified engineer in Structural / Civil Engineering, Member (or eligible for membership) of the Institute of Engineers Australia.
- Good understanding of the engineering principles and knowledge of the AS1170 series of standards, AS4100 and AS3600.
- Proficient in the use of MS Office applications (especially Excel), ability to use a CAD package and, to a lesser extent, SpaceGass.
- Ability to communicate effectively verbally and in writing at various levels and to give advice on engineering matters.

Duties:

- Undertake calculations and set up documentation for structural design.
- Preparation of quotations for engineering work and tender submissions (training will be provided).
- Basic hand drawn sketches and CAD drawings.
- Coordination with Sales, Purchasing, Estimating and Production departments on most projects.

How to apply:

- Visit our web site (<http://www.flighteng.com.au>) to learn about our company.
- Submit your application online at flieng@flightbros.com.au addressing the Selection Criteria and attaching a current resume or CV in a MS Word format.
- If you do not receive a reply email within 2 days of submitting your application contact us on (08) 8276 3644.
- We reply to ALL applicants and the ones short-listed will be contacted for attending an interview.
